

DAIKIN DX3SE A/C

Comfortable air in your home

When properly matched and installed, your DX3SE Air Conditioner offers up to 13.4 SEER2 energy-efficient performance. The higher the SEER2, the greater the efficiency — and the

lower the operating cost compared to lower SEER2 units. In many applications, the efficiency of your DX3SE can be enhanced by using it in conjunction with a Daikin brand gas furnace. This unit features a powder-paint finish over heavy-gauge galvanized steel that provides premium durability and excellent UV protection. Supports the 2023 DOE Energy Conservation Standards.

DAIKIN DM96TN FURNACE

Financed Price

The Daikin brand DM96TN 9-Speed ECM, Two-Stage gas valve, Multi-Position Gas Furnace features our heavy-duty stainless-steel tubular heat exchanger and

durable silicon nitride hot-surface ignition system. This furnace is run-tested for heating or combination heating/cooling applications. Not only will this furnace provide your family with years of reliable warmth, it will do so economically. This furnace delivers efficiency of up to 96% AFUE compared to lower AFUE furnaces.

DAIKIN PREMIUM AIR CLEANER

Take control of your air quality

The Daikin Premium Air Cleaner is an efficient and convenient solution to help remove dust, and other airborne particulates passing through the return air ducts of your central heating and cooling system. The MERV 15 air filter is capable of reducing up to 85% of particles down to 0.3 microns in size (at rated flow)*.

FIELD CONTROLS DUO 2000 Whole home air purification system

The DUO combines PRO-CELL and AirFresh technologies for optimal and complete whole house air purification.

FIELD CONTROLS UV-16 Induct air purification system

The UV-16 air purifier unit is designed to emit powerful UVC band light rays to reduce airborne viruses and microorganisms as they pass through a heating or air conditioning system.

APRILAIRE RE800 STEAM HUMIDIFIER

Humidity plays a key role in wellness

AprilAire Whole-House Humidifiers balance your home's humidity to help improve sleep and dry skin, enhance productivity, and keep you protected against airborne viruses. Additionally, AprilAire Humidifiers help preserve your home and any contents susceptible to cracking and warping due to low humidity levels.

HALEY MECHANICAL

Dexter's Local HVAC Contractors

ABOUT HALEY MECHANICAL

We are a family-owned and operated business, founded in 1998. We are proud of our reputation within the communities that we serve. Our commitment is to provide an expert service; our technicians are fully trained and qualified for every service we provide. We are passionate about what we do and believe in providing a service that puts our clients first. Our certified technicians are just a phone call away and we are always happy to discuss the best solutions for your home.

THE "BEST" BROCHURE

Featuring Daikin's Best Air Conditioning Products!

DAIKIN RXSQ VRV LIFE

Flexible / Dual-fuel Heating / Inverter Technology / Quiet / Space-saving

Re-inventing residential air-conditioning by breaking technological barriers, Daikin VRV LIFE systems bring inverter driven VRV technology to solve some of the age-old residential HVAC challenges. Precision engineered for flexibility, zoning, low sound and space saving, with the ability to mix and match ducted and duct-free indoor units in combination with a gas furnace. VRV LIFE systems are an ideal choice for a premium solution.

DAIKIN FIT A/C AND HEAT PUMP

Designed to FIT comfort, space-saving, and efficiency requirements with ease.

The Daikin Fit system is a side discharge, smart HVAC system that won't compromise on comfort and connects to ducted solutions traditional to the unitary market. In a market saturated with expensive high-tiered inverters, the system provides a premium mid-efficiency inverter at an affordable rate. The low profile of the outdoor unit offers solutions when a traditional cube style cannot.

DAIKIN DX5SE A/C

A year-round home comfort solution

When properly matched and installed, your DX5SE offers up to 15.2 SEER2 performance. In many applications, the efficiency of your DX5SE can be enhanced by using it in conjunction with a Daikin brand gas furnace that includes a variable-speed blower motor. This unit features a powder-paint finish with premium durability and excellent UV protection. Supports the 2023 DOE Energy Conservation Standards.
